Oregon problem gambling prevention and outreach

news you can use: each month we'll send you this newsletter with announcements, tips, info, resources, etc....ideas, submissions and feedback on this are welcome! send to wendy.hausotter@state.or.us

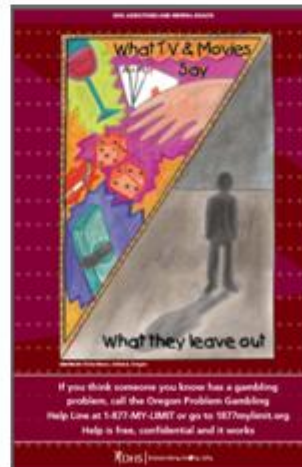

Posters made from our annual youth art search
now available by contacting Greta: greta.l.coe@state.or.us

Either of these is good for general awareness

This is a good message for colleges and other places where harm reduction is a good strategy

Great for schools, especially if used as part of a media literacy

Don't forget to check the new problem gambling prevention and outreach coordinator's website that Lane County is hosting for us:

<http://lanecounty.org/prevention/pgs/default.htm>

New resources are being added all the time (as things are added they are even marked "NEW" so you can find them easily...clever, eh?); if you have materials to share please send them to wendy.hausotter@state.or.us...thanks!
